**RESPONSE TO NOTICE TO COMPLY WITH REQUIREMENTS
FOR PATENT APPLICATIONS CONTAINING
NUCLEOTIDE SEQUENCE AND/OR AMINO ACID
SEQUENCE DISCLOSURES**

Assistant Commissioner for Patents
Washington, DC 20231

Sir:

In response to the Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures (hereinafter "Notice to Comply") mailed March 29, 2001, Applicants submit herewith a replacement paper copy of the Sequence Listing as required under C.F.R. 1.821(c), and a write-protected copy of the Sequence Listing in computer readable form (on a floppy disk) as required by 37 C.F.R. 1.821(e). A copy of the Notice to Comply and a Petition for Extension of Time are also submitted herewith.

Statement under 37 C.F.R. 1.821-1.825

The undersigned hereby states that the content of the paper and computer readable copies of the Sequence Listing are the same, and that the disclosure in the Sequence Listing submitted herewith does not go beyond the disclosure of the as-filed Specification and the application from which the present application claims priority.

This Response is accompanied by a Petition for Extension of Time (one month) and a check in the amount of \$55.00 as required under 37 C.F.R. 1.17. It is believed that this submission does not necessitate the payment of any additional fees under 37 C.F.R. 1.16-1.17. If the amount submitted is incorrect, however, please deduct from Deposit Account No. 07-1969 the appropriate fee for this submission and any extension of time required.

Respectfully submitted,

- ☐ 7. Other: _____

Applicant Must Provide:

- ☒ An initial or substitute computer readable form (CRF) copy of the "Sequence Listing".
- ☒ An initial or substitute paper copy of the "Sequence Listing", as well as an amendment directing its entry into the specification.
- ☒ A statement that the content of the paper and computer readable copies are the same and, where applicable, include no new matter, as required by 37 C.F.R. 1.821(e) or 1.821(f) or 1.821(g) or 1.825(b) or 1.825(d).
